

**Press Release - For Immediate Release Monday April 13, 2020 6:30 PM**

**EASTERN IDAHO PUBLIC HEALTH (EIPH) (from daily reports April 11 - April 13)**

Case # 32: We are reporting a positive COVID-19 test result in a female in her 30s who lives in Bonneville County. She had contact with a confirmed case of COVID-19. She was not hospitalized and is recovering at home while self-isolating.

Case # 33: We are reporting a positive COVID-19 test result in a male in his 50s who lives in Bonneville County. He was not hospitalized and is recovering at home while self-isolating. Community transmission is identified as the source of exposure to the virus.

The Stay at Home order announced by Governor Brad Little on Wednesday, March 25, 2020 is set to expire at 11:59 p.m. on Wednesday, April 15, 2020. Governor Little is planning a press conference on Wednesday, April 15 at 11:00 a.m. to announce the plans for the State moving forward.

						<b>93</b>	<b>14</b>		

<sup>1</sup>Hospitalized after reported by Public Health.

<sup>2</sup>Probable case definition was recently released. Probable cases are updated regularly as part of EIPH monitoring.

<sup>3</sup>This means the individual is no longer infectious and is safe to return to the community.

## TETON VALLEY HEALTH (TVH)

TVH has new rapid testing equipment in house. They have developed a validation protocol with the state to ensure that the machine is testing accurately and will run that validation Tuesday or Wednesday. They are working with epidemiologists to develop a sampling mechanism to best determine how prevalent COVID - 19 is in our valley and hope to begin testing this week.

Having rapid testing equipment will allow health officials to better assess the health status of our community as related to COVID-19. With community spread and limited testing, it has been difficult to determine the true impact of COVID - 19 on our residents thus far. Having more accurate numbers will aid in response efforts and will assist in predicting the future implications of the pandemic on our community.

### STATISTICS UPDATE

World Update	National Update	Idaho Update
1,923,118 total cases	586,285 total cases	1,453 total cases
119,585 deaths	23,609 deaths	33 deaths
70,753 new cases in last 24 hrs	25,985 new cases in last 24 hrs	27 cases since yesterday

Additional data for Idaho: there have been 135 hospitalizations across the state and a total of 15,114 people have been tested for COVID-19.

### VISITORS AND RENTALS RESTRICTIONS

The City of Victor passed two emergency ordinances on April 8, 2020 providing [self-quarantine requirements](#) for visitors and limiting [short term rentals](#) through May 31, 2020.

Today, the Board of County Commissioners passed a resolution that places restrictions on visitors coming into Teton County by encouraging self quarantine measures for 14 days upon arrival.

*"...Any person coming into Teton County to reside permanently or temporarily should self-quarantine for a period of fourteen days from the date of arrival. During a period of self-quarantine, a person in self-quarantine should remain at a residence and should not enter any business or public recreation area nor have contact with any other person except a household member who is also in self-quarantine. Persons traveling through Teton County (including those in recreational vehicles) should avoid stopping at any public recreation area, business or residence except as required to perform Essential Activities, operate Essential Businesses, or maintain Essential Governmental Function".*

In the same resolution restrictions were placed on lodging within the county.

*"...Each Lodging Facility in Teton County should stop renting rooms or residences to any person who is not a resident of Teton County, a Healthcare Operations employee, or a government employee performing Essential Government Functions. The terms Healthcare Operations and Essential Government Functions are defined in the IDHW Order..."* [read full resolution here.](#)

The resolution is in effect until May 31, 2020 unless terminated prior to that by the Board of County Commissioners.

### THE SPUD DRIVE-IN

The Board of County Commissioners will meet again tomorrow April 14, 2020 at 4:00 pm to consider an Operations Plan that, if approved, would allow The Spud Drive-In to open for the season to show movies. The meeting will be livestreamed at [www.tetoncountyidaho.gov](http://www.tetoncountyidaho.gov).

## TETON SCHOOL DISTRICT 401

- Teton School District 401 is holding its regular school board meeting tonight, starting at 5:30 pm. It will be livestreamed on the district's Facebook page; members of the public can also call in to listen: 208-228-5941, code# 558637
- A reminder to families: if your financial situation has changed due to the coronavirus crisis, please complete an application for Free and Reduced Lunch. The English form is available at
- <https://tsd401.org/wp-content/uploads/2019/08/19-20-Application-for-Free-and-Reduced-Price-School-Meals-english.pdf>. In Spanish, go to <https://tsd401.org/wp-content/uploads/2019/08/Espanol-19-20-Parent-Letter.pdf>
- Free meals are available from 11:30 am-12:30 pm to kids aged 1-18. Sign up (by midnight the night before pickup) on the district website, [tsd401.org](https://tsd401.org). In the first month of the schools' soft closure, more than 10,000 meals have been provided.

## PRIMARY ELECTION VOTING DURING COVID-19

Due to the COVID-19 pandemic voting in the May 19 Primary Election is **only available** by casting an absentee ballot. For details on how to vote absentee visit: <https://idahovotes.gov/vote-early-idaho/>

## US CENSUS IS HAPPENING NOW

With everything going on we wanted to remind everyone that the 2020 US Census is happening now. It is important for our community to be accurately accounted for in the census for the following reasons:

- Fair share of government money for public services
- Fair representation in Congress and the legislature

For information on how to complete your census form visit [www.2020census.gov](http://www.2020census.gov)

Our Teton Valley first responders are working hard every day to keep us safe! Let's stay home to do the same for them! Social distancing is hard, but stick with it so we can get through this together. More than 100 Idaho health care workers have caught the virus, but so far none in Teton Valley!

#StayHomeforUs #TetonValleyStrong #FlattentheCurve #WeGotThis

**Together we will make it!**  
**TETON VALLEY STRONG!**
